

Trade from the State of the Union Address (Jan. 30, 2018)

America has also finally turned the page on decades of unfair trade deals that sacrificed our prosperity and shipped away our companies, our jobs, and our Nation's wealth.

The era of economic surrender is over.

From now on, we expect trading relationships to be fair and to be reciprocal.

We will work to fix bad trade deals and negotiate new ones.

And we will protect American workers and American intellectual property, through strong enforcement of our trade rules.
